Dear Sir:

Applicant hereby submits a Supplemental Information Disclosure Statement pursuant to 37 C.F.R. § 1.97. The publication identified on the attached Information Disclosure Citation has only recently become known to Applicant. Inasmuch as Applicant has not received a first Office Action in this application, no fee is necessary for the filing of this supplemental disclosure. 37 C.F.R. § 1.97(b)

The publication identified on the attached citation form is an Internet webpage or website identifying an apparatus called the "Action Light™." According to the publication, the apparatus has an array of high-intensity LEDs for use as a portable light source. As described, the LEDs specified are blue LEDs with "phosphorescent materials" such that white light is emitted.

Applicant has been unable to determine an original publication date for this publication, and therefore has provided the date(s) of the copyright notice and the date on which this information was printed for inclusion in this disclosure.

Respectfully submitted,

Oscar A. Towler, III
